

REMARKS

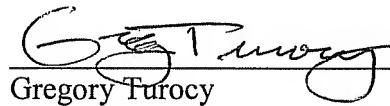

The Examiner has indicated that each of pending claims 1-8 are allowed. Applicant's representative thanks the Examiner for the notification of allowance of the claims.

Claims 24-35 are new. Support for these claims can be found throughout the specification as filed from pages 6-11 and the originally filed claims. New dependent claims 24-26 depend from allowed claim 1. Further, claim 27 recites the elements of allowed claim 1 and adds the additional feature of "*when placed in close proximity to the substrate*" at line 3. New dependent claims 28-35 depend from claim 27.

In the event any fees are due in connection with this document, the Commissioner is authorized to charge those fees to Deposit Account No. 50-1063 [AMDP999US].

Should the Examiner believe a telephone interview would be helpful to expedite favorable prosecution, the Examiner is invited to contact applicants' undersigned representative at the telephone number below.

Respectfully submitted,
TUROCY & WATSON, LLP
